

ARTISTIC HELP 50p : THE ARTIST IS IN

What is the use of art? What is the point of artists?

Borrowing her format from Charles Schulz's *Peanuts* cartoon (Lucy van Pelt's psychiatry booth, PSYCHIATRIC HELP 5¢; THE DOCTOR IS IN/OUT), the artist B.A.Zanditon will explore these questions. If you need help, the artist is in. Whether your problem is artistic, personal, practical, or otherwise, for a modest fee of 50 pence, she will endeavour to help.

In order to assist with her research, the artist would be grateful if you would complete and return this short questionnaire.
